Said to capture the vocal essence of Benatar paired with the punk rock sensibility of Jett, Rose Cora Perry & The Truth Untold are set to release their highly anticipated debut EP this year entitled, "Other Side of the Story".

In conjunction with their forthcoming disc, Perry and crew will be embarking on "Part Deux" of their "Canadian Invasion" tour, which last year saw them play close to 50 shows in 10 states, along with select performances within their locale of Southwestern Ontario.

Before they take the stage next month to open for rock legends at Roxodus Music Festival, they'll be making their debut appearance in Providence, Rhode Island at this year's PVDfest."

Returning for its fifth year, Providence's world-renowned art, culture and culinary community is joining forces with artists from around the corner and across the globe to deliver a once in a lifetime experience. Live music, dance, food, and visual art installations transform the city in a four-day, multi-arts take-over of public spaces, parks and outdoor stages in the heart of Providence.

2019's event will showcase 1000+ artists on over a dozen stages along the Washington Street Cultural Corridor and Greater Kennedy Plaza. Audiences of over 100,000 are anticipated.

The event runs from Thursday, June 6th beginning at 12:00 noon until Sunday, June 9th ending at 6:00 pm. All ages are welcome to attend and admission is free.

Rose Cora Perry & The Truth Untold will be rocking The Strand Ballroom & Theatre stage on Saturday June 8th at 8:00 pm.
