Award-winning Rock Trio Rose Cora Perry & The Truth Untold at 2018 Belle River Sunsplash

Summer temperatures are here and it's the perfect time to cool off with a 'splash' at the 23rd annual Belle River Sunsplash Festival. Taking place between Thursday July 12th and Sunday July 15th, this year's event offers far more than just water sports and "fun in the sun".

From a fishing derby to lawn mower races, a carnival, parade, vendor booths, classic cruise car show and fantastic live entertainment, the Sunsplash Committee undoubtedly achieved their mission of providing a "memorable weekend" - appealing equally to young and old - for residents and visitors to the Lakeshore area.

Among this year's highlights is a guest musical performance by London-based award-winning rock trio, Rose Cora Perry & The Truth Untold. Acclaimed one of the Top #10 indie talents across the whole of Canada, the band's Belle River debut on Friday July 13th at 6 pm is just one of many dates in their tireless Spring/Summer touring efforts.

Following an encore-demanding performance at Los Angeles' famed Whisky a Go Go this past January, Perry and company received an exclusive invitation from the founder himself to appear on this year's final Vans Warped Tour - also this month - at Toronto's Budweiser Stage. Other confirmed boastworthy tour dates for the band include: International Pop Overthrow (Chicago), Jersey Shore Festival (New Jersey), East Coast Music Conference (Norfolk VA) and The Great Canadian Kayak Festival (Timmins).

The Lakeshore event then is in good company given that thousands are expected to flock to this year's Fest from across Southwestern Ontario and even regions in the US.
